SUMMARY

Dedicated and passionate front-end developer with a strong affinity for programming. Always seeking opportunities to enhance my skill set, I thrive on tackling coding challenges and aspire to continually grow as a developer in the front-end field.

SKILLS

- **Languages:** HTML, CSS, JavaScript, Python, PHP
 - **Frameworks/Libraries:** React.js, Angular, Bootstrap, SASS, Tailwind CSS, Vite.
 - **CMS Platforms:** WordPress, Shopify, Salla, Wix, Shabander.
-

EDUCATION

Alexandria University

Bachelor of Science in Agricultural Engineering

Specialization: Agricultural Mechanization and Renewable Energy

CERTIFICATES

- Front-end for Juniors Certificate - Udacity Academy - Front-end Experience Certificate - E.V. Studio

WORK EXPERIENCE

UAE Scouts Association (uaescouts.ae)

- National scouting organization in the UAE — engaged in youth development, scouting activities, and large-scale scout events such as the 33rd Arab Scout Camp.
- The website documents scouting events and history and serves as a hub for information related to scouting activities and regional collaborations.

USED TOOLS: (WordPress, Elemntor, Elementor Pro, Unlimited Elements, ACF, Custom CSS)

Camp Adventures (campadventures.ae)

- Outdoor-adventure and camping company organizing programs across the UAE for different audience types: schools, universities, corporate teams, private groups.
- Emphasis on building life skills (leadership, teamwork, resilience, environmental awareness) and personal growth through immersive outdoor experiences.

USED TOOLS: (WordPress, Elemntor, Elementor Pro, ACF, Custom CSS)

XPLOR Adventure Academy (xplor.world)

- UK-based outdoor education and adventure company.
- Provides youth programs and expeditions focused on real-life skill development.
- Emphasizes leadership, teamwork, resilience, and experiential learning.

USED TOOLS: (WordPress, Elemntor, Elementor Pro, WooCommerce, Contact Form 7, ElementsKit Elementor, CookieYes for WordPress, W3 Total Cache)

Alforat Iraqi Street Food (alforat.ca)

- A restaurant / food-service website based in Canada offering authentic Iraqi street-food and Middle Eastern cuisine (shawarma, kebab, falafel, vegan options, etc.).
- Focus on “home-style” flavors and tradition — positioning itself as a taste of home with comforting, familiar meals for customers.

USED TOOLS: (WordPress, Elemntor, Elementor Pro, Ultimate Addons for Elementor, Contact Form 7)

Aerologix (aerologix.org)

- Transformed a React template into a fully functional WordPress theme.
- Used PHP and followed WordPress documentation to ensure proper structure and compatibility.

SOFT SKILLS

- Problem-Solving & Critical Thinking
 - Time Management
 - Adaptability & Continuous Learning
 - Communication & Team Collaboration
 - Attention to Detail
-
